

# REGISTER NOW

## For **FREE** Online Learning Access

Take advantage of free access to industry and product learning from Emerson. This offer provides free access to learning through the end of 2020. Follow these instructions to create an account, or login to begin.

1. Visit Education.Emerson.com, register and choose Emerson 2020 Promotion as the Branch Name during the registration process. If you're already a registered user, login and follow steps 2-3.
2. After logging in, choose My Learning Plans.
3. Take courses and monitor your progress.

The screenshot shows the 'Course Catalog' page with the Emerson logo at the top. Below the logo, it says 'Login or register to start a course. Call 800-748-2779 for assistance. Note that by signing in, you agree to the use of the platform's cookies'. There are input fields for 'Username \*' and 'Password \*'. A 'SIGN IN' button is at the bottom. A blue arrow points to the 'Register' link below the button.

The screenshot shows the 'Register' page with the Emerson logo. It says 'Begin your new learning experience by simply filling out this form.' There are input fields for 'Email \*', 'First Name \*', 'Last Name \*', 'Password \*', and 'Retype Password \*'. There is a dropdown menu for 'Language \*' and another for 'Branch name \*'. The 'Branch name \*' dropdown is open, showing options: 'Emerson 2020 Promotion', 'Electronics & Solutions', 'Emerson 2020 Promotion' (with a checkmark), and 'Emerson Cadets'. A blue arrow points to the 'Emerson 2020 Promotion' option.

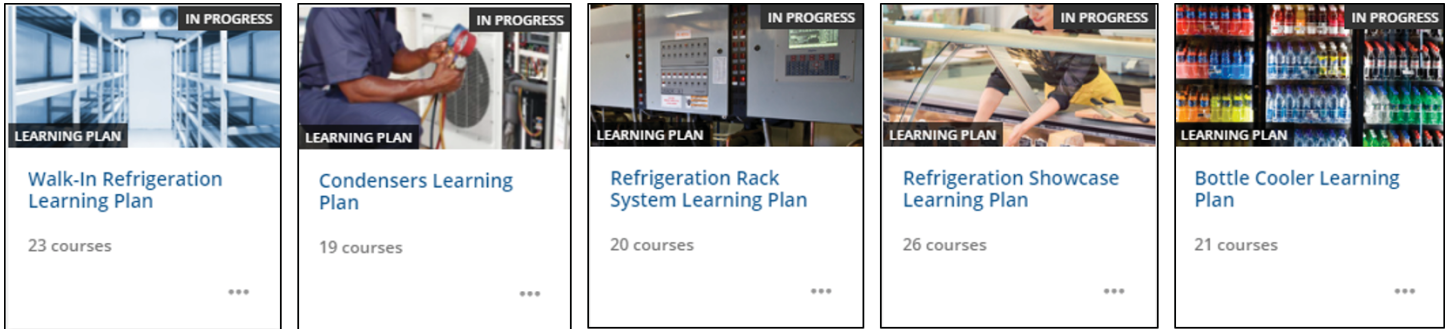

The screenshot shows a user dashboard with a 'Sign Out' button and a power icon. Below that is a list of menu items: 'My Dashboard', 'My Learning Plans' (with a blue arrow pointing to it), 'My Courses', 'My Activities', and 'Course Catalog'.

The screenshot shows a 'Learning Plan' page for 'Emerson Electronics and Solutions' with 9 courses. It features a progress indicator showing '11%' and 'Learning Plan Progress 13h 10m | 0h 0m'. A 'RESUME WHERE YOU LEFT OFF' button is visible. Below, there is a section 'About this Learning Plan' with the text 'In this learning plan, you'll review Emerson E&S products. Products include:' followed by a list: 'E2', 'Site Supervisor', and 'MultiFlex ESR'.

Registration provides access to **10 Emerson Online Learning Plans** containing over **100 Self-Paced Learning Modules**.

## LEARNING PLANS: ASSET

Emerson's asset-based learning plans provide training on common refrigeration assets. Each plan includes an asset overview training module that reviews typical applications, features and benefits and identifies individual components used in these systems. The learning plans also contain individual training modules covering the Emerson products utilized in the asset.

## LEARNING PLANS: BRAND

Emerson's brand-based learning plans provide training on individual Emerson products and solutions, organized by Emerson brand family.
