### Applications
- **Fixed**
  - Air conditioning service, refrigeration and export
  - 13-14 SEER Air conditioning
  - 13 SEER Air conditioning and heat pump
  - 14+ SEER Air conditioning and heat pump
  - 15-16 SEER Air conditioning systems and heat pumps
  - 16+ SEER High efficiency air conditioners and heat pumps

### Benefits
- **Fixed**
  - Internal pressure protection
  - Internal temperature protection
  - Compressor is designed for both residential and light commercial markets
  - Enables lowest applied cost for 13 and 14 SEER systems
  - Optimized scroll and seal design

- **Modulation**
  - Enhanced comfort and humidity control
  - Improved part-load and full-load performance
  - Optimized for 15-16 SEER tax credits and Energy Star
  - Available in 2-10 HP, single phase and three phase
  - Proven reliability enhanced with CoreSense technology

- **Applications**
  - Air conditioning service, refrigeration and export
  - 13-14 SEER Air conditioning
  - 13 SEER Air conditioning and heat pump
  - 14+ SEER Air conditioning and heat pump
  - 15-16 SEER Air conditioning systems and heat pumps
  - 16+ SEER High efficiency air conditioners and heat pumps

- **Benefits**
  - Internal pressure protection
  - Quiet shutdown solution
  - Quiet, reliable operation
  - Internal temperature protection
  - Compressor is designed for both residential and light commercial markets
  - Optimized scroll and seal design

- **Modulation**
  - Enhanced comfort and humidity control
  - Improved part-load and full-load performance
  - Optimized for 15-16 SEER tax credits and Energy Star
  - Available in 2-10 HP, single phase and three phase
  - Proven reliability enhanced with CoreSense technology
